- The enrollment fee is valid for one year from the first reservation made for all IEG schools in Spain & Latin America. In other words, any courses reserved during a 12 month period can be made using the same enrollment fee.
- Our published offers or other type of discounts cannot be accumulated. All offers or discounts are subject to availability and have a fixed duration period. No changes will be made to bookings that have been received prior to the promotion. All offers and discounts will be applied at the time of booking.

11. PAYMENT CONDITIONS

Where payment in full is not received, don Quijote reserves the right to cancel the program, and the student has no right to a refund.
- All bank charges will be your responsibility. In the case whereby the bank charges us a commission for receipt of your payment, we reserve the right to charge you this sum on your arrival.
- Personal checks won't be accepted in any case. Bank checks will be accepted only if the check is received a minimum of 80 days before arrival and with an extra fee of 35 EUR | USD 50.
- These prices are valid until the 31st of December 2015 for courses beginning and ending in the year 2015.

- For cancellations before the arrival date, there will be a penalty of 150 EUR (Spain and Cuba), USD 200 (Latin America) of the advance payment.
- For the Spanish + Internship/Volunteer Program in Spain there will be a cancellation fee of 450 € for cancellations made 4 weeks before arrival. For cancellations in the last four weeks before arrival, we will charge the whole program price.
- For the Kids, Juniors and Teens programs the penalty for cancellations made during the last four weeks prior to arrival will be 1,000 €. For cancellations made before this date, there will be a penalty of 250 €.
- In no case whatsoever will money for the course or accommodation be refunded once the course has started (except in the case of the refund guarantee).
- In the event that a credit note is granted due to exceptional circumstances, the credit will only be valid for up to 12 months (from the date the credit note is granted). Once this period of 12 months ends, the students loses the right to the credit. Credit issued is valid for one year from the date of issuance. Credit is valid only for the geographic region for which it was issued (i.e., credit issued for Spain is not valid for courses in Latin America) and is non-transferable to another student.
- For all reimbursements we will charge an administrative fee to cover the administrative costs of returning your money (see point 14.4), as well as the standard fee for changes in the reservation (100 € | USD 150) as stated in point 8.3.
- Refunds must be requested during the 30 days following the completion of the course or cancellation. Once this period is complete, the student no longer has the right to request any refunds.
- In the event of a cancellation or course reduction, original prices will be applied whether or not the student has opted for a special discount or promotion. For example, if due to the length of the course, the student received a discount at the time of booking, on cancellation this will be lost.
- Students who require any type of invitation letter to obtain a student visa for their course and have to cancel due to denial of the visa, must send an official original certified document directly from the Embassy. If this copy is not received by don Quijote, 100% of the cost of the program will be charged.
- For cancellations after an invitation letter is issued, the penalty will be the one explained in points 12.2, 12.4 and 12.6, plus the cost of sending the invitation letter if the express courier option was selected.
- For students who already have visas, cancellations will only be considered once the student provides proof of leaving the country and once the visa obtained through don Quijote is no longer valid. In addition, the cancellation will only be valid on the student's return to their country of origin.

13. GOLD OR SILVER CANCELLATION GUARANTEE

- We recommend one of our special cancellation guarantees if you are taking a course in Spain, Costa Rica (Santo Domingo de Heredia), Ecuador or Mexico that is longer than 2 weeks. The cost of this guarantee is 4% (Silver) or 6% (Gold) of the total sum of the full program invoice (non-refundable) and the cancellation guarantee must be signed and paid in full upon at least 15 days before arrival in order for it to be valid.
- With the "Silver" cancellation guarantee you will be able to cancel your program under certain circumstances: securing a job with a duration of at least one year; serious illness or accident resulting in hospitalization; death of the insured, their spouse, direct ascendants, descendants, siblings; being called to court proceedings or as a member of an electoral board; summons for major surgery with hospitalization of the insured and their spouse; placement for the adoption of a child; organ transplant to or from the insured, their spouse, direct ascendants, descendants, siblings, brother/sister-in-law, son/daughter-in-law, father/mother-in-law; the cancellation of a registered and insured companion obliging them to travel alone; bankruptcy of the travel agency or cancellation of the trip by the airline, national disaster.
- With the "Gold" cancellation guarantee you can cancel all or part of the course for any reason.
- When a cancellation is made and you need to use the cancellation guarantee, we will refund the cost of your course and accommodation if you cancel your course at any time from your arrival date until the end of your course. Your guaranteed refund will NOT include: your enrollment fee and services already used at the time of cancellation (if the student makes that cancellation on a Monday, otherwise both the week of cancellation and the following week will be charged), the cost of the guarantee itself and 4% of the amount to be refunded (minimum of 65 EUR | USD 90) to cover administrative costs.
- In order to cancel a language program, the student must give notice via e-mail to seg@iegrupo.com. We will take the day following the day on which the e-mail is sent as the official cancellation day of the course. Until an e-mail is received the cancellation will not be valid. For this reason it is important that the student is certain that the e-mail has been received. If the student is covered under the Silver Cancellation Insurance, then they will have a maximum of 15 days starting from the day the e-mail is sent to produce the necessary evidence to back up the motive for their cancellation. If the student is covered by the Gold Cancellation Guarantee, this step is not necessary. The money will be returned within 30 days of the official cancellation date.
- The cancellation guarantee is personal and non-transferable and is only valid upon the students' arrival at the school. Students who require and have obtained the visa through don Quijote can buy the cancellation

guarantee but cancellations will be only considered once the student provides proof of leaving the country. In these cases 8% of the amount to be refunded will be charged to cover administrative costs.

- If you have enrolled for a course that is over 5 weeks long and you use the cancellation guarantee, you should be aware that prices may change depending on how many weeks you'll be doing eventually. That is, if you enrolled for 12 weeks and unfortunately you need to reduce your course to 4 weeks, the 4 week prices will be applied.

14. REFUNDS

- Refer back to points 12 and 13 (cancellations).
- Following the request or after the examination of all documents in the case of the cancellation guarantee by bank transfer, a refund will be given within 30 days.
- Refunds can only be made and money can only be transferred to the student who booked the course or to the account from where the payment has been made. Refunds will never be made out to anyone other than the student or the guardian who paid for the reservation.
- For all refunds we will charge an administrative fee of 10% of the amount to be refunded (a minimum of 55 EUR | USD 95). Refunds of small amounts (less than 100 EUR) will be paid by Spanish check at no extra cost whilst the student is still in Spain otherwise the refund will be made by bank transfer and will carry a minimum administration fee of 35 EUR.

15. CUSTOMER SERVICE

- Notwithstanding the provisions of this agreement excluding any legal obligation or liability on its part, don Quijote will, in the event of a complaint by a student against an overseas body in connection with its preferred course or associated accommodation, endeavor to use its best means to rectify the situation of the student involved, provided that such a complaint is notified to the appropriate body abroad as soon as is reasonably possible, and that the student has exhausted all other feasible solutions in the overseas country involved.
- Any complaints need to be given in writing and within the first 24 hours. Otherwise students will lose the right to any compensation, refund or changes. don Quijote will accept any suggestions after departure date or requests only on an information level and to improve our services.

16. COPYRIGHT

- The management of don Quijote reserves the right to use all possible photos taken during the student's stay unless the student declares otherwise on his arrival at the school.

PROTECTION OF PERSONAL DATA

In compliance with Spanish Law 15/1999, December 13, regarding the protection of personal data, don Quijote would like to inform you that your personal details within these general conditions will be stored in a database (whose liability and responsibility is don Quijote, S.L.), solely for the commercial and operative purposes of the company. By accepting these general conditions, you give your consent to the use of your information for the above mentioned purposes. CONDITIONS OF OUR TRIPLE GUARANTEE

There is no risk in choosing a don Quijote/IEG Program because you'll get the best program and the best price!

- 100% PRICE GUARANTEE** - In order to qualify for the price guarantee (applicable to Spanish language courses only, accommodation is excluded), the other program's price needs to be at least 10 € less than don Quijote/IEG's published price AND the program needs to be comparable. Comparable means: in the same city, an equal amount (or more) of Spanish instruction time, same (or fewer) maximum students per class, same quality of instruction. don Quijote reserves the right to disqualify certain programs where the quality of instruction may be in question. This is determined by several factors including teachers qualifications, years in business, international recognition and qualifications. Simply include a copy of the other organization's price sheet or a link to their website where the price is in print. As long as the program is equivalent to our program we will honor their price and discount another 20% of your enrollment fee!
- SATISFACTION GUARANTEE** - Your satisfaction is our main concern. If on your arrival you are not satisfied with any of our services, just notify the school in writing within 24 hours of your first course day (these apply as well as for any problems that might occur during your stay). We'll rectify the situation within 2 working days. If you still feel that the services are not in accordance with the brochure description, we'll sit and discuss the issue, with 2 possible outcomes. Either we'll agree that the service has not met our guarantee and refund your course and lodging fees or if we can't agree, we'll allow an independent arbitrator appointed by the regional Spanish government to determine if the situation warrants application of our money back guarantee.
- CANCELLATION GUARANTEE** - When you purchase one of our cancellation guarantees, you protect yourself against the unexpected events that might cause you to cancel your course. For full details see point 13 on this page.
