Introduction

For the past 25 years, Enfocamp has offered residential, Day Camp and Home Stay programs for children and teenagers during the summer. By bringing together students from all over the world (60% Spanish), these courses allow international youth to make Spanish friends their age, acquire a profound understanding of the Spanish way of life and increase their awareness of a variety of world cultures. Enfocamp is proud to offer this enriching opportunity for students from 5 to 18 years old. Our participants come from more than 32 countries, which creates a uniquely diverse environment for developing linguistic and interpersonal skills. Summer camps are held in Spain: Barcelona, Granada, Madrid, Marbella, Salamanca, Seville & Valencia (Granada & Seville international only), where students take 4 or 5 lessons per day of Spanish or English and enjoy all day together.

Additionally, our youngsters participate in many traditional summer camp activities —sports, games, competitions, and parties— and go on excursions every week to local sites of historical and cultural interest. They're supervised 24 hours a day by our highly dedicated counselors/coaches. All of this adds up to so much fun that the campers don't even realize how much they're learning! For the rest of the family, we offer year-round Spanish language programs in Spain: Alicante, Barcelona, Cadiz, Granada, Madrid, Malaga, Marbella, Pamplona, Salamanca, Seville, Tenerife and Valencia. Thousands of teenagers, university students and adults join us every year to take 20 types of courses, such as Intensive Spanish, Spanish for Business, Spanish + Leisure, and official exam preparation. We also have 20 centers in 10 different Latin American countries: Argentina, Bolivia, Chile, Costa Rica, Cuba, the Dominican Republic, Ecuador, Guatemala, Mexico and Peru. Year after year, thousands of youngsters from all over the world come to our camps and sometimes their parents sign up for our adult programs to spend a healthy, educational and enjoyable summer learning foreign languages... **discover us!**

- ✓ All camps are exclusively located at the most prestigious private school facilities.

Camp Staff

Enfocamp carefully selects our camp coordinators, directors and “*monitores*” (Spanish for “counselor” or “coach”) based on their experience, expertise and, above all, dedication to the students. Our staff is made up of native Spaniards, 90% of whom speak English and other languages. The vast majority return year after year, all united by the same goal: to make your child's summer the most enjoyable possible!

• **CAMP DIRECTOR:** Besides the executive directors of Enfocamp, the Camp Director at each site holds the highest level of responsibility. He/she works very closely with the coordinators and counselors to make sure the camp runs smoothly and attends to the needs of every member of the school.

- **COUNSELOR COORDINATORS:** One Coordinator is assigned to each of 3 categories: Kids, Juniors and Seniors, thus creating different campuses within the same facility. The Coordinator works closely with the counselors/coaches to develop and supervise camp activities, as well as monitor student participation to ensure that each camper makes the most of their summer.
- **COUNSELORS:** One counselor is assigned to each group of 8-12 campers at every summer camp. They spend 24 hours/day with their group, act as mentors and tutors and take care of any needs or concerns the students may have. At the Granada & Seville Junior Programs, there will be 1 tutor for every 12-15 students. These tutors are available 24 hours a day and accompany students on all extracurricular activities. The counselor team is made up of qualified bilingual or Spanish tutors.
- **THE REST OF OUR STAFF** includes our logistics team, language professors and counselors' assistants.

Types of Programs

ACCOMMODATION

Residential Stay

The residential stay embodies the essence of our summer language camp philosophy: by living, studying, playing and practicing languages together 24 hours a day in a totally multicultural environment, campers will learn interpersonal and linguistic skills to last a lifetime. When they choose our 'star' program, Spanish and international campers are only separated during the morning language classes. They'll experience everything else together,

Junior Program

Our special "Junior Programs" are designed for students 14 to 18 years old who would like to spend a summer learning Spanish in Spain, with 2 key differences from the traditional summer camps. First, these programs are for international students only, not mixed with Spaniards. Second, the Junior Programs are not held on an all-in-one campus (residence hall, sports facilities, classes, activities, counselors, etc.). Instead, participants will live, eat and sleep

Day Camp Program

Will your whole family be in Spain for the summer? If so, this may be the summer program for you! The Day Camp option is designed so campers can attend camp activities during the day but return to their families at night. Day Camp students take part in all the same classes, sports, workshops, excursions, etc. with residential students from about 9:15 am to 8:00 pm, but they will stay with their families at night and on the weekends. Lunch and snacks are included. Transportation to and from the camp is optional.

Availability: All Summer Camps & Junior Programs.

from morning wake-up to sports, cultural workshops, recreational activities, excursions, meals and more. It's the perfect recipe for making life-long friends from all over the world! Please note that the dormitory capacity of each center differs, and that the Granada & Seville residences hold international students only.

in a residence hall or with a host family and go to morning Spanish classes at a nearby school. There will be 1 "tutor" for every 12-15 students who functions like a counselor would, providing supervision and accompanying the students on all extra-curricular activities. These programs also include one excursion per 2-week session and afternoon trips around the city.

Availability: Granada & Seville.

24 Year-Round Spanish schools

Our organization offer over 20 Spanish language programs for groups all year round and for the whole family in 12 beautiful Spanish cities. All kinds of students 14 years old and up —teenagers, university students, executives, adults and senior citizens— can take courses at our schools at any level. What's more, we have 20 centers in 10 different Latin American countries. You can choose between accommodation in private apartments, home stays, shared apartments, student residences or hotels in Spain and Latin America.

SPAIN: Alicante, Barcelona, Cadiz, Granada, Madrid, Malaga, Marbella, Pamplona, Salamanca, Seville, Tenerife & Valencia.

LATIN AMERICA: Argentina, Bolivia, Chile, Costa Rica, Cuba, the Dominican Republic, Ecuador, Guatemala, Mexico & Peru.

“Our summer language courses are organized into 20/25 lessons per week, with 4/5 lessons everyday, Monday through Friday (except at the Marbella Albergue Summer Camp, where students receive 25 lessons per week). Each class has the duration of 45 minutes and we set a maximum of 14 students per class in order to ensure individualized attention. The carefully designed curriculum emphasizes conversation and communication, so that students may take full advantage of their surroundings and apply what they’re learning by speaking with friends during the rest of the day. The morning class hours are the only time when Spanish and international students are separated; they rejoin in the afternoon and at night for a variety of activities. The syllabi are 100% compatible with the U.S. credit system”

MIXED WITH 60% SPANISH STUDENTS

OUR SPANISH TEACHERS

The success of all learning efforts depends on a teaching team trained and equipped to motivate their students. Therefore we've carefully selected a highly qualified and energetic faculty for our camps. The Spanish teachers are all natives with at least 5-year university degrees in Spanish Linguistics and Teaching Spanish as a Foreign

Language. Most of them have a Masters and/or Doctorate in Spanish and all hold the CAP (Certificate of Teaching Ability). Our summer camp faculty is experienced in teaching young people of various ages and implements a wide array of techniques and activities that speak to every age group and learning type.

TEACHING MATERIALS

Our teaching materials are designed for each age group and subdivided into varying levels of linguistic competence. The kit, comprised principally of a text and workbook corresponding appropriately to each class, is issued to the student on the first day of the course. Other multimedia audio-visual tools are also employed to present lessons and take full advantage of our modern facilities.

METHODOLOGY

The language curriculum is designed keeping in mind at all times that we are a Summer Camp. In other words, classes are conceived to be sufficiently interesting and entertaining to motivate students to the fullest, but we simultaneously optimize class time by encouraging conversation and discussion in a serious and professional manner. Our aim is for students to enjoy themselves while learning as much as possible in a short period of time.

The methodology is centered on a communicative approach, utilizing diverse techniques to cover the fundamentals of language learning: grammar, speaking, listening, vocabulary, pronunciation, writing & intercultural competence.

6 LEVELS

Every student takes a placement test on the first day of classes in order to determine their language level. They are consequently placed into one of 6 levels, from very beginner to proficiency.

CERTIFICATE

Each student will receive a certificate detailing accomplishments realized during his/her stay on the last day of the session.

Sports & activities

“Our Activity Program is designed to ensure campers’ participation in as many age-appropriate sports, workshops and recreational pursuits as possible”

Optional sports

The best time for youngsters to improve and develop their athletic skills is the summer! In addition to normally scheduled afternoon sports activities, we offer the “optional sports” listed below. Please note:

- Due to scheduling conflicts, students who enroll in our optional sports programs may not always be able to participate in all of the other camp activities.
- Each camp offers a different set of options. Minimum of 5 students per sport.
- Spaces for these optional sports are limited, so we encourage parents to register their child as soon as possible if interested. Only 1 optional sport is available per two-week camp period.
- Once the student’s program has started it is not possible to cancel the optional sport.

OUTDOORS WORKSHOP

Students explore their natural surroundings and learn various skills relating to outdoors activities, such as knot-making, camping, trekking and hiking on ecological trails. At the same time, one of the principal goals of this workshop is to teach students to adopt a lifelong philosophy of respecting and appreciating the environment.

JOURNALISM WORKSHOP

During this workshop, students create a bi-weekly newspaper that includes camp news and a variety of articles from the campers. This is a great opportunity for students to work on their critical thinking and writing skills, as well as express their creativity and feel part of a productive team.

ARTS & CRAFTS WORKSHOP

Campers express their creativity by using various materials to create handicrafts, such as play dough, paper, threads, yarn, clay and more. Recycled materials are used as well.

MUSIC & PERCUSSION WORKSHOP

Students discover and improve their sense of rhythm and musical ear in this workshop. The campers may learn how to use the bongos, the flamenco cajón (a special box for creating flamenco rhythms), the tambourine, the guitar, maracas and other instruments.

FLAMENCO & SEVILLANAS WORKSHOP

These two dance forms make up an integral part of Spanish culture, and where better to learn them but Spain itself? Students will learn the fundamental rhythms and steps of *flamenco* and *sevillanas* as well as their history and regional importance.

BALLROOM DANCING WORKSHOP

Students learn traditional ballroom dance steps and consequently develop their personal sense of rhythm and movement. We use traditional and popular music from Spain and all over the world to expose the students to as much variety as possible.

LIFESAVING WORKSHOP

Students learn various lifesaving techniques, including life-guarding and CPR.

THEATER WORKSHOP

This workshop allows campers to create their own plays and perform them, as well as recreate famous works on the counselor's recommendation.

Students participate in every aspect of the theater, from selecting the play and acting to doing make-up, creating costumes and designing the set.

COOKING WORKSHOP

This workshop encourages students to discover the culinary arts, and we take full advantage of the multicultural backgrounds of our campers! Participants learn to prepare international dishes such as Mississippi Mud Pie (USA), Russian teacakes and, of course, typical Spanish recipes like *tortilla española*.

Each 2-week session includes at least 2 full-day and 2 half-day excursions to nearby sites of interest in the vicinity of the camp. These trips introduce students to the great diversity of Spanish culture, food and geography, and aim to take full advantage of the special attractions around each camp. There are optional excursions that come at an additional fee.

Spain is divided into 17 autonomous communities, each offering something different and exciting. From Don Quixote's central plains to Andalusia's intricate Arab architecture, from impressive Christian religious buildings to the ruins of the Roman empire, Spain's rich history is evident everywhere you look. We encourage our campers to open their eyes to the wealth of sights that surround them!

Excursions

BARCELONA

Barcelona — hailed as Spain's capital of style, culture and architecture— holds a lot of youth-friendly attractions perfect for summer camp trips. We'll go to beaches inside and outside the city, as well as discover Roman cities like Tarragona and green areas like Park Güell.

Full-day trips: Sitges, Tarragona...

Half-day trips: Park Güell, Tibidabo Amusement Park, Pueblo Español...

GRANADA

Granada is a southern city with incredible history. It was the peninsula's last Muslim stronghold, an influence which can still be felt in the stunning Alhambra palace. Just a short ride away students can enjoy the other highlights of Andalusia like Cordoba and Seville.

Full-day trips: Cordoba, Seville, Costa del Sol... **Half-day trips:** the Alhambra, the Royal Chapel, a *flamenco* show...

MADRID

From the Madrid Camp, students embark on journeys to nearby medieval cities with strong Judeo-Christian, Roman and Muslim influences.

MARBELLA

The Costa del Sol is set in Andalusia, the heart of Muslim and Roman Spain and the birthplace of Flamenco. Students will visit the ancient and vibrant cities of Seville and Granada, discover the leisure attractions of Puerto Banús and see nearby mountain ranges.

Full-day trips: Seville, Granada, Tarifa and Ronda. **Half-day trips:** Puerto Banús, Mijas, Sierra Nevada, a city tour of Marbella.

SALAMANCA

Using this welcoming, classical university city as a starting point, students will explore the walled city of Avila, the Spanish-Portuguese border city of Ciudad Rodrigo and various nearby villages that preserve medieval architecture.

Full-day trips: Avila, Segovia, Portugal, Ciudad Rodrigo and the picturesque villages of La Alberca and Alba de Tormes. **In-city tours:** local sites of cultural and historical interest such as Salamanca's two cathedrals, the Palacio and the Casa de las Conchas.

SEVILLE

Seville is the capital city of Andalusia with approximately 700,000 inhabitants. Nowadays you can still feel the historic influence of moors in Sevillian architecture. The Alcázar, for example, is one of the most spectacular places in Spain. Famous costumes and traditions like bull-fighting and flamenco music turn Seville into a very interesting destination for the linguistic tourist.

Getting ready

Laundry

Our programs include laundry service once every two weeks. We ask that students bring a laundry bag and highly recommend marking your child's full name on all personal articles.

Uniform

We suggest that students purchase the camp uniform package in order to avoid concerns over what to pack, losing or damaging personal items, etc. The package includes 5 t-shirts, 1 sweatshirt, 2 pairs of shorts and a baseball cap. You should order the uniform at least 10 days before the student's arrival; it will be delivered to the student during the first day of camp.

Pocket Money

Upon arrival, students may deposit their money in the camp bank for safekeeping and withdraw money as needed. Each student's group monitor will note deposits and withdrawals and keep an eye on the student's spending habits, in order to help them budget their money. If you anticipate that your child will need additional money, it will be your responsibility to deliver said funds, because Enfocamp cannot receive or deliver money to students at our camp sites.

Permission to leave the grounds

Camp personnel and directors are aware that many of our senior campers enjoy a certain level of freedom at home and expect to be able to meet with friends and go off-campus in an unsupervised fashion. For this reason we allow our students a limited number of unescorted trips off-campus during each 2-week session. The specific days, frequency and times are determined by each camp director. **This is possible if and only if: the student was born in 1999 or earlier (for 2014) and 2000 (for 2015); the student submits a signed consent form from his/her parents.**

** Marbella Alemán is the only camp where this option is not available.*

Medical assistance and insurance

Each camp has a health center and 24-hour first aid care on-site to ensure the health and well being of the students. If your child has any chronic medical concerns, allergies, special dietary needs or other requirements, simply notify us in writing, preferably at the time of registration. If your child plans to bring their own medicine to the camp, please send it with him/her, along with full instructions on its correct use. Additionally, it may be advisable for the student to carry a medical report of their special needs from his/her doctor. All students in Spain are covered by a standard insurance for medical assistance, which is included in the price of the program. However if you would like a premium insurance policy, we advise you to purchase this in your own country.

Phones & E-mail

We know how important it is for you and your child to be able to keep in touch, so we've made it easy for campers to call home. Every student will receive an Enfocamp international calling card upon arrival that can be activated and charged with 5 e and up at the camp's reception desk. Enfocamp phone cards can be used from any telephone, whether a land line on-campus or an off-campus phone while students are on

an excursion. Campers may also use their cellular phones to call home, but only during the designated hours set by each camp. Each facility has an emergency number in case you need to contact the camp director. We will send you this information one month before your child's arrival. The city is home to some of Spain's most renowned museums —such as the Picasso Museum and the MACBA— not to mention a jam-packed cultural agenda of exhibitions, concerts, festivals and more. It's a beautiful, lively and exciting city that has proven itself time and again to be an intriguing atmosphere for discovering Spain's language and culture.

Granada’s moderate size makes it an exciting yet manageable city for students to explore.

On the first Monday morning, students will take their first trip to the Spanish school to complete a level placement test, and then go on a supervised tour of the city to become acquainted with Granada’s main attractions. After classes, students will return to the residence or family and enjoy a typical Spanish lunch.

FACILITIES

Classes are held in a school near the residence hall, and both are conveniently located in the center of Granada.

Salamanca is a scenic, gorgeous city, declared the European Cultural Capital for 2002 and protected by UNESCO as a World Heritage Site.

This impressively maintained medieval town is also one of the most youthful areas in Spain; home to the second-oldest university in the world, it continues to attract international students from all corners of the globe.

ACCOMMODATIONS

Dorm rooms at the Colegio Calasanz are doubles and fully furnished with beds, study desks, a wardrobe and shelves for each student. A washstand is located in each room and shared bathroom/showers are dispersed throughout the 2 floors of the residential part of the building.

LOCATION

Seville is the capital of Andalusia with a population of about 700,000. The historical influence of the Moors is still present in old Sevillian architecture today. This is seen most clearly in the cathedral which is one of the most spectacular in all of Spain. The famous customs and traditions of bullfighting and flamenco help make Seville an exciting and spectacular city for the language traveler.

JUNIOR PROGRAM

The Seville Junior Program consists of 20 hours of Spanish classes per week according to their language level, which we determine on the first day with a placement test. Outside of the school, teen participants enjoy an independent lifestyle, and are therefore responsible for getting to and from their commitments (classes, activities, meals, etc.). Students are also responsible for making their curfew. This independent lifestyle also means that, unlike in our other camps, afternoon activities and excursions are optional.

FACILITIES

Seville Junior Program participants will attend classes in the heart of the historic Santa Cruz neighborhood, just steps away from major Seville attractions like the Cathedral, the Alcázar, the Ayuntamiento (City Hall) and much more.

Our school has modern facilities and is set in a building dating back to the early 20th century. Facilities include 12 air-conditioned classrooms, a roof deck, a meeting room and a multimedia classroom.

ACCOMMODATIONS

Participants may choose to share a room with another teenager in a host family that is within walking distance from the school. Students who prefer the residence option will stay in a modern building in the heart of the city's historic center, just 15 minutes from our school.
